

## TPP PFAS Statement

TPP Techno Plastic Products AG is committed to ensuring the highest level of consumer safety by adhering to applicable international and national regulations. This commitment includes the exclusion of Per- and Polyfluoroalkyl Substances (PFAS) in our manufacturing processes.

TPP confirms that no PFAS are intentionally added as raw materials or used as processing aids during the production of TPP products. Furthermore, based on information provided by our suppliers and to the best of our knowledge, no PFAS are present in any materials supplied to TPP.

For further inquiries or specific documentation regarding PFAS compliance, please contact us at:
